Dear Len Tran:

RE: Petition to Withdraw Holding of Abandonment
Application No. 10/751,323; Filing Date: 01/05/2004;
Inventor: Wayne (Weijie) J. Liu; Attorney Docket No. wjliu-005

I received a Notice of Abandonment from you yesterday indicating that due to the failure to timely file a proper reply to the Office letter mailed on 01 February 2005, my application (10/751,323) has been abandoned. However I have never received such a letter. I was relocated from Canada to South Korea in March this year and filed a Change of Correspondence Address Application on the 25 February 2005. I suspect the letter was either lost during the route or was delivered to my previous address after my moving out. My previous address in Canada is a residential building and therefore no docket record for receiving mails.

I therefore here file a **Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action.**

Another thing is that I have only received the Notice of Abandonment dated 08/24/2005 yesterday (10/26/2005). I hope this will not affect the granting of the petition.

I declare that all statements made of my own knowledge are true and that all statements made on information and belief are believed to be true.

Thank you for your time. Please let me know if you need more information to grant the petition.

Yours sincerely,

Wayne (Weijie) J. Liu

PS. I have searched every corner of the USPTO web site and could not find a proper form for the Petition to Withdraw Holding of Abandonment Based on Failure to Receive Office Action. If you have such a form or template and require me to re-file the above petition, I will be happy to do it. I will appreciate if you can communicate with me using email or fax.
